

WELCOME to East Surrey Walkers. Let us introduce ourselves.

East Surrey Walkers was formed in 1983 as East Surrey Ramblers and has about 250 members. We are a sociable group whose primary aim is to enjoy walking in the countryside with an interesting variety of scenery; we walk in Surrey, Kent and Sussex. We organise regular walks in mid-week, weekends and on Bank Holidays, with a range of distances normally between 3 and 12 miles. We also have a programme of social events and have two walking holidays each year as well as two long weekends away.

We hope you enjoyed your walk with us and look forward to seeing you again.

The Ramblers is Britain's walking charity, working to safeguard the footpaths, the countryside and other places we go walking, and to encourage more people to take up walking. With 125,000 members in England, Scotland and Wales, we've been working for walkers for 75 years.

We work for a walking Britain, where walking is a popular choice for its people, both for relaxation and in daily life. We want walking to be an enjoyable experience for all, whether in the countryside or in the city, on gentle paths or challenging hillsides. We believe that walking contributes to health and well-being and supports a more sustainable way of life.

We are dedicated to working both for better quality walking environments and to making walking more accessible to all. We work to promote walking for pleasure, health, leisure and transport to everyone, of all ages, backgrounds and abilities, in towns and cities as well as in the countryside.

New rights of access to the countryside are the results of a long-fought campaign by the Ramblers. We're also working hard to keep the footpath network clear and improve its attractions to walkers. We're working to enhance National Parks, protect wild land, promote public transport and encourage environmentally friendly farming and sustainable development. We hope you will become a Ramblers member.

Tony Pearson - Chairman
